MEMORANDUM FOR THE RECORD

Morning Meeting of 25 July 1967

25X1

Godfrey showed the Director a memorandum analyzing the causes of the recent Congo mutiny. The Director agreed to distribution as the classification permits. Godfrey said that the mercenaries appear to be heading back toward Bukavu.

Godfrey noted a radio news report this morning that deGaulle might be asked to return to France. In reply to a question Godfrey said that the memorandum on deGaulle's foreign policy should be ready early next week.

Kent reported a request from Walt Rostow for a SNIE on Viet Cong recruiting problems. He proposed to have it ready for next week's USIB meeting. The Director agreed.

DD/S&T discussed the administrative problems involved in releasing a sanitized version of the Director's briefing of the Joint Committee on Atomic Energy. The Director gave guidance. (See Action 1)

Executive Director said that contributions to the Children's Hearing and Speech Center of Washington, D. C., in memory of the DD/P will be handled individually but can be sent through the Office of Personnel.

Executive Director called attention to the very restricted number of seats available to the ceremony at which Sherman Kent will receive the President's Award for Distinguished Federal Civilian Service.

The Director read a condolence letter from the Secretary of State concerning the death of the DD/P.

The Director reported on his attendance at the meeting between Charlie Schultze and Senator Russell yesterday and, in this connection, asked the Executive Director to contact BOB.

The Director noted a message from General Bonesteel in Korea.
(See Action 2)

ACTIONS:

1. The Director asked DD/S&T to write a Memorandum for the Record on his discussions concerning the release of the Director's testimony before the Joint Committee.

2. The Director asked Kent to examine the referenced cable from Korea and to consider whether a SNIE might not be indicated.
